Offertory 'National Anthem: Arise! Arise!' (Rohe)

- 1. Atlantic and Pacific flow  
The Great Lakes and the Gulf of Mexico  
The land between sustains us all  
To cherish it, our tireless call  
  
Chorus:  
Arise! Arise!  
I see the future in your eyes  
To a more perfect union we aspire  
And lift our voices from the fire*
- 2. We reached these shores from many lands  
We came with hungry hearts and hands  
Some came by force and some by will  
At the auction block, or the darkened mill (chorus)*
- 3. We died in your fields and your factories  
Strange fruit hangin' from the poplar trees  
With an old coat hanger in a room somewhere  
A trail of tears, an electric chair (chorus)*
- 4. Our great responsibility  
To be guardians of our liberty  
'Till tyrants bow to the people's dream  
And justice flows like a mighty stream (chorus)*

Giving Thanks for All That Sustains Us

Bob Davis

*From the countless gifts we each have been given,  
gifts of life and love and sustenance,  
we bring these small portions to share in the works of love  
which none of us can accomplish alone.*
