Unison Reading 'Bond of Union' Tom Hackley, Board of Trustees
Earnestly desiring to develop in ourselves and in the world honest, reverent thought, faithfulness to our highest conception of right living, the spirit of love and service to all people, and allegiance towards all the interests of morality and religion, as interpreted by the growing thought and purest lives of humanity:

We join ourselves together hoping to help one another in all good things and advance the cause of pure and practical religion in the

community. We base our union upon no creed test but upon the purpose herein expressed and welcome all who wish to join us to help establish truth, righteousness and love in all the world.
