Questions for Sharing and Listening

- What books have been "sources" for you recently?
- What's your favorite book? What do you love about it?
- What book(s) do you recommend to others? Why?

*Guidelines for discussion: Please speak the truth as you
understand it; please do not comment on others'
comments until everyone has had a chance to do initial
sharing.*

*Please take a minute after the service to peruse the books on the
carts and take whatever interests you! Maybe you'll find something
you'd like to speak about at next year's book service.*

*People joining us via Zoom are invited to stay for small group
conversation.*
