November 1: "Mummies and a History of European Views of the Middle East" -- Rev. Rachel Lonberg

Continuing her Halloween series on iconic monsters, Rev. Rachel will explore the history of the mummy in Western popular culture. Could this be a lens through which to better understand the history of European (and subsequently North American) views with Southwest Asia and North Africa (a term many who live there prefer to 'Middle East')? Rev. Rachel thinks so. Maybe after this service, you'll agree.

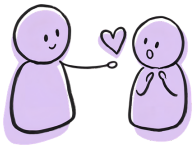

This is our annual Halloween celebration at church. All are invited to wear costumes.

November 8: "When Words Fail" -- Rev. Rachel Lonberg

When something heartbreaking happens to someone we love, we often struggle to know what to say and worry that we might say something that might cause further pain. In this service, Rev. Rachel will give practical advice for how to show up as a supportive presence when people in our lives are struggling.

November 15: "Generosity as Resilience" -- Rev. Rachel Lonberg

Recently, the People's Church board was reflecting on moments when our congregation is resilient. We realized that these are all moments when we are generous – with money, with time, with attention, with skills, and with trust. Rev. Rachel will reflect on the link between generosity and resilience and what she has learned about generosity as a steward of our resistance and resilience fund.

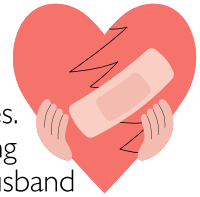

November 22: "Gentle Evangelism for Unitarian Universalists" -- Rev. Rachel Lonberg

Is it possible to tell people about People's Church and invite them to attend without being it being awful (for us and for them)? How do we spread the 'good news' about our religious community with respect, care, and a bit of courage?

Do you have a 'UU elevator speech' – a short introduction to who we are and what we believe? Rev. Rachel would love to hear it – please send it her way.

November 29: "Healing Mind, Body and Spirit" -- Rev. Dr. Vilius Rudra Dundzila

The midterms are done, Thanksgiving is suddenly over and we're rushing into the Christmakwanzakah lap of the year. Do we have time … to check in with our minds, bodies and spirits? Where do I need healing? Where is my beloved community called to healing?

Rev. Dr. Vilius Rudra Dundzila (he, his, him) is a child of World War II refugees. Immigrant justice is one of his passions. He took early retirement from teaching Religion and Humanities from Harry S Truman college in Chicago. With his husband Mikie, they live the "queer country" lifestyle (urban gays who intentionally became rural) in Mid-Michigan with their 5 dogs. He serves the Community Unitarian Universalists in Brighton, MI as their contract minister.

Dear People's people, In a recent church meeting, planning an upcoming event, I said, "someone will need to figure out how to rent a chocolate fountain."

Immediately, someone responded, "Oh, I have one. My sister-in-law and I share one." Some households have shared custody arrangements for chocolate fountains, I learned. (In related news, I suggest you attend church in person on February 14 – we're going to have a party after the service to celebrate Diane Melvin's 25 years of service as the Director of Religious Education.)

During several recent check-ins with People's people moving across town, I shared, "Do you need any boxes?" My spouse works in a restaurant where dozens of large boxes of food are delivered each week. The boxes are generally sturdy and it is good to give them more use before recycling. I sometimes forget that not every household has access to all the boxes they could ever need. The next time you move or otherwise need boxes, let me know and I will ask my husband to bring home boxes for you to have.

It is in these small moments of mutuality and interdependence that community is built. As my friend, the Rev. Rachael Hayes, who serves the First Unitarian Universalist Church of San Antonio, likes to remind me, "To be interdependent means we must, sometimes, depend." For me, it is easier to offer support than ask for it, but I am trying to depend on others a bit more. As Bill Withers sings in 'Lean on Me,' which we will all be singing in the service on November 8, 'No one can fill those of your needs that you won't let show.'

As we move into seasons of gratitude and generosity, may we depend on one another.

See you soon,
Rev. Rachel

Please join in for the Fine Art Sale & Holiday Bazaar!
Saturday November 21st 9:00 – 3:00

Our Annual Fine Art Sale and Holiday Bazaar is a signature event for our church and community. All our members, friends, and family members play a part in making it a success. The Bazaar supports our church budget, helps to fund our programs and service to others, and introduces us to the wider community.

Here are ways you can help!

- Plan to do your holiday shopping at the Bazaar! It's hard to find a more interesting variety of gift items than you will find at our Bazaar. Bring your list and find the perfect choices right here from 32 local vendors. Shop local! See who our 2026 artists are here: https://peopleschurch.net/news/2026-bazaar-artists-and-vendors/ Also purchase tickets at the main desk to win one of our gorgeous raffle baskets brimming with a variety of contributed items from our artists.
- Help promote the event! Email the flyer (https://peopleschurch.net/wp-content/uploads/2026/10/Bazaar-Flyer-2026.png) to your friends, colleagues, neighbors and family and invite them to join you at the event. RSVP to our Facebook event. Share the event and post to your social networks. Please take bazaar flyers from the sign-up table if you go to places where these can be posted. Take the cards with you to your workplace and community events to share. Call a friend. Your personal invitations work best.
- Put out a yard sign on Sunday morning, November 15th.Our yard signs have been one of the most effective ways to attract new customers, and we have more than 80 signs to display throughout the community this year. Get creative about placing the signs! If you don't have a space to display one, can you think of a friend, neighbor or favorite business owner who would be willing to post one on their property? If you live on a busy road, can you convince your next-door neighbors to each post a sign? Three signs in a row on neighboring properties really catches the eye! Sign out one (or a few) of the signs at church in November, and display them from November 15-21.
- Make crafts or bake treats for Peoples Specialties. The foyer will be beautifully arranged to sell your homemade items: crafts, breads, jams, snack mixes, baked goods, candies, vegan and gluten-free foods, and our famous frozen pasties. This is our main profit-making area, and every item sold here comes from your generous contributions of your homemade goods. Sign up at church or here: https://app.unison.io/forms/3eWVXYxpWk4P5tL2IKcg9A with what you will make. Please drop off your food item contributions on Friday the 20th between 4 pm and 7 pm for pricing and arranging. Crafts can be dropped off to Eli at the main church office at any time until November 15th
- Eager workers needed for Monday Madness. https://app.unison.io/schedules/7DS10XqD3HAzx1jlGql0U3 to come on Monday evening, November 16th from 6 - 7:30 pm to help clear the Commons and Foyer of chairs and furniture and to begin to set up for the Bazaar. Pizza will be served! Youth are welcome!
- Sign up to work a shift at the Bazaar on November 21st. Helpers will be needed as salespeople to staff Peoples' Specialties tables, and we need many hands for cleaning up at 3 PM. Please sign-up at the Bazaar table in the foyer or https://app.unison.io/schedules/7DS10XqD3HAzx1jlGql0U3
- Help host our guests. Many people come to our Bazaar because they like the warm and friendly people. Please greet everyone and thank our vendors, too.
- Grab lunch or coffee and pie at the Mini-café. This year we will host a mini-café for our vendors and volunteers. Please note that the mini-café is NOT open to the general public. If you have volunteered to help with the Bazaar or contributed donated items, you are welcome to purchase your lunch or a treat and grab a beverage. Food will be served cafeteria style from the Kitchen, with food to be eaten in Room 9. (And we need folks to bake brownies or pumpkin pies to be served at the mini-café: https://www.signupgenius.com/go/508054BA9AC22A13-67211035-mini Since the mini-café will not be available to the public, please access it discreetly from the far hall to the rear of the church.

Questions? Please check with Elijah in the church office

Thank you for helping make this a huge success!

Some of the tasks on the schedule include power washing the building, window cleaning, spreading mulch, cutting down small trees/bushes (chainsaw), clearing up outside areas, and many more! Each task will be supervised by someone who has the know-how, so even if you are unsure of your skills you can still contribute constructively.

Dress appropriately, bring work gloves and tools if you have them, and be prepared for a great opportunity to have fun, improve our facility, and build our community!

Art Wall: Everyday Miracles

Coming for November and December is a new Art Wall Exhibit called "Everyday Miracles" by Martha Rosenfeld and Mary Baggerman, both wonderful fiber artists. Watch for more information and reception date in December.

Martha Rosenfeld

Martha uses fiber art to depict landscapes, images from nature, and surrealist ideas. The intricacy and tactile qualities of working with fiber allows her to create images with depth and texture. She thinks of it as "painting with wool." The hooked rugs are made with wool fabric strips, and sometimes with other materials such as wool yarn, silk, nylons, and old t-shirts. The foundation fabric is linen. Each design is one of a kind, created one at a time, and based upon Martha's own observations of the world around her.

Mary Baggerman

Mary is a fiber artist living in Kalamazoo, Michigan. Combining a lifelong interest in both painting and textile work, she creates art quilts and embroideries which combine aspects of both. Art quilts are often characterized by explorations of different mediums and materials, all related to fiber, which combine into new visual experiences, emphasizing the unique qualities of fiber: texture, color and pattern. Embroideries combine technique and modern aesthetics to create original pieces which echo the past but speak to the present.

Upcoming Program: Love at the Center Discussion Group

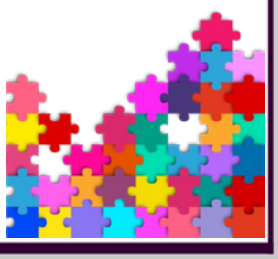

Wednesday November 18,7pm on Zoom, continuing on third Wednesdays through May
Explore our Unitarian Universalist shared values and what it means to live with love at the center in this online gathering. This group is based on materials prepared for this year's UUA common read Love at the Center, Unitarian Universalist Theologies, edited by Sofia Betancourt.
The discussion will be focused on our shared values - reading the book is not necessary for participating in the discussion (but the book is good!). The book can be ordered from Inspirit, the UUA Bookstore, our local booksellers, or any of the usual places. This program is a joint offering between People's Church and the UU Church at Washington Crossing in Titusville, NJ, which is served by one of Rev. Rachel's minister friends. They are excited to bring their two congregations together in this way.

Please contact Rachel to get the Zoom link for this program – it will not be at our usual Zoom link!

"We Are Grateful: Otsaliheliga", by Traci Sorell — RE 975 So

"Jingle Dance", by Cynthia Leitich Smith — J Sm

What Are AWE Labs and Specialty Classes?

The RE program runs on volunteers. Two of the newer areas can be one-time assisting or signing up on multiple occasions to work with our elementary-age students. The groups combine all elementary grades (K-6th) and provide opportunities for children to get to know other students and adults in a more open, social environment than our regular classes.

AWE Labs: Adventure! Wonder! Exploration! These began last year as an extension of our elementary curriculum with experiences in meditation, movement, and artistic expression. Adults are facilitators, not teachers. Volunteers could lead yoga and meditation, explain how to use Buddha boards and zen gardens, or supervise a craft. Each room will have an adult who is familiar with AWE Labs, so an assistant can get to know the activity and interact with the children without prior experience.

In AWE Labs, children are assigned a room in which to start. After that, they are free to move to other experiences whenever they wish. We always need a couple of hallway volunteers to direct children to different activities.

Specialty Classes are offered on the first Sunday of each month. Students select from a few activities such as crafts, hobbies, board games, and outdoor games. They stay in their chosen classes for the entire period, about 45 minutes to an hour. Volunteers can lead activities or assist. This could be as simple as putting out an assortment of recycled materials and craft supplies and supervising a "maker space," setting up

board games from our RE cupboards and helping kids play, or takingkids sledding on our front hill. Other leaders have shared hobbies like beekeeping, music, and sculpting. Specialty class assistants work with the students and support the leaders.

AWE Labs will be held six more times in our 2026-27 year of RE: Nov. 22, Jan. 24, Feb. 28, March 28, April 25, and May 23. Specialty Classes are on the first Sunday of every month through June. Lenore Yeager and Mary Kate Webster, coordinate the schedules. Please note that our church safety policy requires people who work with children to have attended People's for at least one year.

Check your calendar and email Mary Kate Webster if you would like to volunteer or if you have questions: tomandmarykate@gmail.com. New ideas for Specialty Classes are always welcome.

Post-Election Games, Crafts, Snacks and Coloring

Wednesday, November 4, 3-8pm in Room 19
On the afternoon and evening after the election, we will be gathering to play games, do crafts, and color together. Bring an activity or some food to share. Stay for as long or as little as you like. Green Sanctuary Wants You!!!

What are your passions? What are your talents? Do you have an hour or two to spare now and then, or are you looking for something to do on a regular basis? No matter how you answer, there's a place for you with Green Sanctuary. Our overall purpose is to encourage a sustainable lifestyle for People's Church members as individuals and as a faith community.

Do you like problem-solving and organizing with a small group? Consider joining the Green Sanctuary Committee (GSC). We've been meeting on Zoom at 4:30 pm on the third Monday of most months. The GSC is also a good place to develop ideas to recommend to the board as policies and projects.

Are you a hands-on person? You can work on projects where Green Sanctuary and Buildings and Grounds form a team. Indoors, you can help with energy-saving projects, including replacing light fixtures, insulating walls, or planning for future HVAC needs. Outdoors, you can be part of the Rain Garden team, help control invasive species, and identify other ways to manage our grounds in a more environmentally friendly way.

Are you a writer, a speaker, or an organizer? Your ideas and help are needed to write Green Spot articles for News & Views, provide brief updates for the Friday emails, organize speakers or films, or help with occasional Sunday services. We also maintain a display on one of the kiosks in the foyer.

Not everything happens on church property. You can volunteer to help with the periodic roadside clean-ups we do along 10th Street as part of being good neighbors. We work with other local faith communities through Hope for Creation, and we're part of the Kalamazoo Climate Crisis Coalition.

Interested? Want to know more? Corner one of us on Sunday or email Connie at conniekzoo@hotmail.com.

Seating During Sunday Services

Dear members and friends of People's Church,
We all know that seating at People's Church, just like any other church, has always been on a first come first served basis and therefore we are free to sit wherever we choose. This does not mean however that we cannot practice some common courtesy, so what I would like to very strongly suggest is that if you see anyone looking for a seat, especially if they're late coming and you see an empty seat on the other side of you, please PLEASE offer to move over for them, especially if they're elderly or disabled. If you can take it upon yourself to sit as close to the center of a row without being asked, so much the better. Let's make People's Church a truly welcoming church and what's more let's make People's Church even more of a class act than it already is.
Sincerely, David Greenquist

Sunday Morning Coffee Helpers

Coffee on Sunday mornings after service is a beloved tradition here at People's Church but it doesn't happen by magic. We're looking for additional volunteers to help make this happen every week!

Please sign up here:
https://app.unison.io/schedules/4JUvLIuELIW6010QNtIAIC
if you're interested in learning the ropes and joining the rotation of folks who make the coffee & clean up afterwards!

A/V & Zoom

We are calling for more volunteers to be trained on our A/V and Zoom set up! If this is something that you are interested in and willing to learn, please reach out to Elijah at office@peopleschurch.net or sign up for a training spot here:
https://app.unison.io/schedules/4JUvLIuELIW6010QNtIAIC
While running A/V can seem overwhelming, it is all set up to be as user friendly as possible! Our existing AV team will help train you to make sure you feel comfortable! Curious what it's like? Sign up for a training shift to see what it's like to be 'in the A/V booth' during a service!

Sunday Morning Greeters

Do you like to smile at people and say hello? Do you like to meet new people at church? Come join the greeters in making every person's first moment at church a warm one. One of the key pieces of hospitality on Sunday mornings is greeting people as they come in the front door, making sure they feel welcome.
Ideally, we would like to have two people available to greet each Sunday. This would give greeters an opportunity to better know their partner for the day and to provide two people to connect with visitors or personally show them where to find orders of service, coat racks, coffee, and help them feel at home at People's. Ideal times for greeting are from 10:10 am to 10:50 am.
Please consider signing up below to help make People's the warm and inclusive community we all know and enjoy. Or talk to the greeter on Sunday to learn what they love about being a greeter. Sign up here: https://app.unison.io/schedules/4JUvLIuELIW6010QNtIAIC
